How to use the ratings

The ratings are expressed in pounds, so to calculate the rating for each horse in a future race simply deduct the number of pounds the horse is set to carry above 9 stone or add the number of pounds the horse is set to carry below 9 stone.

Guide to the ratings

| | |
|--------|---------------------------------------|
| 0-40 | very poor, selling class |
| 41-54 | below average |
| 55-69 | average score |
| 70-84 | above average, especially for a debut |
| 85-95 | high standard, group class |
| 96-110 | group 1 class |
| 111+ | future classic favourite |
